

REMARKS

Amendment to the Drawings

In **Figure 3**, the **attachment zones 251a** and **251b** were not shown in the drawings as originally filed. In the preceding Preliminary Amendment, these elements were mistakenly added to this figure, but are correctly not shown in this figure because the section line 3 -3 in **Figure 1** does not pass through these elements. Therefore, they have been removed in the present amendment.

It is respectfully presumed that this change will be accepted and so a replacement drawing sheet **3/10** incorporating the change is attached to facilitate its immediate entry into the file.

Respectfully submitted,

By: Michael P. Hayden
